Dear Parents and Carers,

As usual, we will be collecting food on behalf of The Nantwich Food Bank.

If you are able to, could you please send something from the list below. The demand is at a record high and stock of some specific items is running low or running out.

These are;

Long life fruit juice,
Long life milk,
Tinned vegetables,
Coffee,
Soup (tinned or packet),
Jam,
Washing up liquid,
Deodorant,
Shower Gel

Please could you send items in with your child to their classroom. The junior governors will then take responsibility for collecting these items from the classrooms. The last day for donations will be Friday 13th October. Your support is highly appreciated.

Yours sincerely,

Mrs Hughes and Mrs Bradley
