Thursday 23rd April 2020,

Good morning everyone,

Just a short one today as there is nothing new to update you on.

Mr Dyson's daily challenges:

A huge thanks to all the pupils (and parents) who are having a go at the daily challenges that I am sending out. I really enjoy receiving the emails and I promise that I will respond directly to every email that I receive. I am going to upload all of these challenges onto the website today (in the Covid 19 file). Pupils are very welcome to have a go at any of the challenges, don't feel that if you don't do it on a certain day I won't look at it. I have been receiving regular emails from a few pupils who do these daily but if your child hasn't had a go at any and would like to please encourage them to have a go at any of them and send their solutions to me at head@highfieldsnantwich.cheshire.sch.uk.

Direct contact with class teachers:

Please remember that you do have direct contact to all of the class teachers. If you have any concerns / questions regarding home learning please do contact them and they will respond.

I virtually met with all the teachers last night and it sounds like most pupils are engaging well with the home learning. Some are doing lots, others are doing some and some pupils have not engaged very much. I have asked class teachers to contact families over the next week where pupils have not engaged with us just to check how things are going and to check all is ok. If you would like your pupils to be engaging more frequently but there are reasons why this can't happen (such as computer access) please let us know and we can try to find ways around this.

Remember, it is up to you how you manage the home schooling. We are here to help, not add to stress.

Here are the teacher's direct emails should you wish to contact them:
