Monday 4<sup>th</sup> May 2020,

Good morning everyone,

I hope you have all had a good weekend. It looks like we might be in for some nice weather this week so hopefully you will all be able to get some fresh air and do some outdoor activities, whilst of course following the rules.

There has been a lot of further speculation over the last few days about when schools will be reopening. It looks increasingly likely that things will be changing before September but the government have stressed that they will give schools sufficient notice (at least 3 weeks) of how they plan to introduce this. I would say that the only thing for certain at this stage is that when we do reopen it will not be business as usual straight away. I am expecting that we might find out some more information about this later in the week when the lockdown is reviewed. My guess is that after the May half term we will see some changes.

There is not a great deal of new information to inform you about today. All the staff are keeping well. Things will continue at school as they have done over the last few weeks. We are typically getting between 8 and 18 children in each day at the moment. One of the main jobs for us this week is to start putting things into place for the transition of our new pupils for September. This will look very different to how we have done it in previous years but we will ensure that we do all we can to make this transition as smooth as possible.

I will mainly be working from home this week and Mr Strefford will be on site. My email will be on and the main school phone line is being diverted to my mobile phone so you know where I am if you need me.

I hope you all have a good week. Stay safe, keep well and hopefully we will see you soon.

Simon Dyson
