## Dear Families

What a week it's been! We are always proud of our lovely Year 6 pupils, but this week they have been truly phenomenal. They tackled their SATs with great focus, resilience and positivity - well done to each and every one of them.

This half term has also included exciting residential visits for Years 2 and 4 and Year 6 are looking forward to their trip next week. A big thank you to all the staff who have volunteered their time to make these trips possible.

Looking ahead, we're excited for our Community Day on Saturday 8th June. We'd love to see as many families as possible join us to help improve our school grounds - even an hour makes a difference!

We finished the week with a brilliant PSHE Day, where children explored what it means to be their best selves. A lovely end to a busy week!

Have a restful weekend.

Mrs Hughes

## Upcoming Events

Year 5	99.6%
Year 6	100.0%

Attendance  
overall 97.4%

## FOHS

FOHS are after your help!

Are you able to provide any raffle prizes for this year's Summer Fun Day in June? Either directly, through your work, or via any well-connected friends and family?

The group managed to acquire some fabulous prizes from local businesses last year and they'd love to get even more this year. Examples might be a voucher for a meal in a pub, a treatment voucher or a day out for the kids.

If you have any suggestions or are able make an introduction then please contact FOHS directly on [fohs@hotmail.co.uk](mailto:fohs@hotmail.co.uk)

## Picture News

### Picture News Focus - Young Inventors

This week, children explored the world of innovation and creativity by learning about young inventors who are already making a big impact. The focus encouraged pupils to think about how ideas can grow into inventions and how their own creativity could help solve real-world problems. It was an inspiring reminder that great ideas can come from anyone - no matter their age!

We're sending home a Take Home sheet to spark discussion at home.

## Year 6 Boys Raise Smiles and Funds with Joke Competition!

We are incredibly proud of three of our Year 6 pupils - Zach, Max and Oliver T - who came up with a brilliant idea to raise money for the Alzheimer's Society. The boys decided to organise a school-wide Joke Competition, combining their sense of fun with a real desire to support an important cause.

The competition invited pupils from across the school to submit their funniest, most creative jokes - and the response was amazing! We were overwhelmed with fantastic entries that had us all laughing.

This afternoon in assembly, the winners were announced to lots of excitement and applause. Congratulations to Luna and Riley for their winning jokes - and well done to everyone who took part and helped spread so much laughter.

Most importantly, a big thank you to Zach, Max, and Oliver T for their creativity, kindness and initiative. Not only did they make us laugh, but they also raised valuable funds and awareness for a great cause. What an inspiring example of pupil leadership!
