

Build it high

*We've got a problem,
We can work it out.
Let's get together,
That's what it's all about.
Got to build it, build it high.
Got to build it, build it high.*

*We've got a problem,
We can work it out.
Let's get together,
That's what it's all about.
Got to build it, build it high.
Got to build it, build it high.*

Don't give in because you fail your first attempt.
Don't start shouting, what's the point in argument?
Let's stand united, take the challenge in our stride.
Just remember that we're on the same side.

*We've got a problem,
We can work it out.
Let's get together,
That's what it's all about.
Got to build it, build it high.
Got to build it, build it high.*

Don't start blaming someone else when things go wrong.
That's wasting precious time and we don't have too long.
No use in panic when the situation's grim,
Trust in teamwork and let the game begin!

*We've got a problem,
We can work it out.
Let's get together,
That's what it's all about.
Got to build it, build it high.
Got to build it, build it high.*

Build it high,
Build it high,
Build it high.
